

Technical Datasheet

Article - No:	TDS-WMPB030H	Revision: A0																						
Remarks	single use only																							
Specification																								
Product name	WMPB030H,30ml Packaging Bottle,HDPE																							
Production conditions	Class 100,000 clean room production																							
	No release agent is used																							
Classification	CE/IVDD																							
Dimensions																								
	<table border="1" style="width: 100%; border-collapse: collapse; text-align: center;"> <thead> <tr> <th>location name</th> <th>material</th> <th>O. D. D1 (mm)</th> <th>Height H1 (mm)</th> <th>I. D. Colour	Clear																							
Nominal Capacity	30ml																							
Material Characteristics	bottle:High Density Polyethylene(HDPE)																							
	cap:polypropylene (PP)																							
Performance parameters	Negative pressure:-70kpa~-95kpa																							
	Ethanol loss rate: $\leq 0.5\%$																							
	water loss rate: $\leq 0.2\%$																							
Purity Grade	free of RNase and DNase																							
	free of pyrogen																							
	free of PCR inhibitors																							
	free of human DNA																							
	free of endotoxins																							
Shelf - Life	60 months at controlled storage conditions																							
Packaging	pcs per case:800																							
Storage	dry condition:40%-60% rel. humidity																							
Approved by PakGent quality department
